

GENERAL TRANSPORTER TRAILERS

Ride-on lawn mowers, golf buggies, quad bikes, Honda Gold Wings, Harley Davidsons, bike-trikes, you name it, they all will find their transport of delight on an Armitage General Transporter. With its robust construction of galvanised steel and 18mm phenolised birch plywood, the Transporter is a real workhorse. The full width, 1" mesh ramp tailgate makes loading easy. You can ride your machine up the ramp onto the anti-slip, textured floor or walk up alongside it in ease and safety. Unbraked General Transporters are available with twin axles at an extra £145 (inc VAT). Trailers can also be specified with single or twin braked axles to boost the payload significantly.
