

WHILE YOU'RE HERE

There's so much to do in the area around Armitage's that you'll be spoilt for choice with ways to while away the time as we work on your vehicle. Just a five-minute lift away at Castleford is the Xscape entertainment complex with a real snow ski slope, multiplex cinema, 10-pin bowling and many restaurants and bars. And, it's only 100 yards from the Junction 32 retail outlet complex with 80-plus stores, including Marks and Spencer, a couple of local dining pubs and several eateries.

The vibrant city of Leeds with everything from an old-style indoor market to Harvey Nick's is less than 15 miles away and picturesque history-steeped York with its Minster and city walls is within striking distance.

If you need to stay overnight or have a particularly long journey to reach us here at Ferrybridge – we have many customers from the South West and Home Counties– there is
